VIDEO ANIMATION

Oh Là Là is the last Collection of Vicky Papaioannou. There is no better destination than Paris for a journaling lover. If you have visited or if you will visit it. Paris is not just a geographical place but a lifestyle, a state of mind, an emotion. Paris includes palaces with their attics, delicious coffee shops, walks along the Seine, the museums, the fashion and the Eiffel Tower. And then the memories and desires, Paris is within us, it is an idea that we carry within us.
