

Casa Granada

by Silvia Gabito

VIDEO ANIMATION

Casa Granada is about our most precious space, our house. It is a feeling of goodness and peace represented by the king of fruit, the pomegranate and the queen of flowers, the rose painted in Aquarell exclusively for Stamperia by an Italian artist.

Silvia Gabito is the perfect person to interpretate the mood of the theme, she lives in Uruguay, one of the most romantic countries of South America where tradition and modernity blend together in the daily life.

The accessories of Casa Granada are scrappers companions to recreate the home atmosphere in every page and project with textures like wood, tiles and wall papers, as well as cups, coffee mugs, cats and much more.
