85 years of Needlework Kits by LanArte

Belgian Quality

The 17th century Turkish traveller, Evliya Celebi, described embroidery as 'the craft of two hands'. Since those early years, generations of stitchers have kept this ancient craft alive and today, in the 21st century the long tradition of embroidery has been enriched with a new name: Lanarte.

In 1934 Guus and Emilie Vergnes' small store, in Leeuwarden in The Netherlands, quickly became synonymous with exclusive needlework kits. For decades Lanarte has held a leading position in the craft sector. In the 1970s and 80s, Guus and Emilie's sons developed their exclusive needlework kits to be among the best in Europe. The sale of the company to the Belgian group, Verachtert, in 2011 brought a new dynamic, creative thrust and further expansion. Today, Lanarte launches 2 new collections per year, each inspired by the latest trends. Nearly a century of excellence and quality is only possible if you are constantly seeking out new challenges; this is what makes Lanarte world class.

Today, Lanarte's exclusivity is not only reflected in the use of the highest quality materials, but also in its unique designs. Lanarte is proud of its collaboration with renowned artists, including the illustrator Marjolein Bastin, together with its own Design Team, which guarantees the success of Lanarte's prestigious collections of highly detailed, timeless and stylish designs combined with striking images.

Working on a Lanarte kit is more than embroidery. It is enveloping yourself in a centuries long tradition of art and craft .

Lanarte is the art of stitching.

The logo for Lanarte features the brand name in a highly decorative, flowing cursive script. The letters are white and stand out against the dark background. Below the main script, the tagline 'the Art of Stitching' is written in a smaller, clean, sans-serif font.

The 17th century Turkish traveller, Eytim Celebi, described embroidery as 'craft of two hands'. Since those early years, generations of stitchers have kept this ancient craft alive and today, in the 21st century, embroidery has been enriched with a new name: Lanarte.

In 1934 Guss and Emilie Veronesi's small store, Lanarte, introduced an exclusive new embroidery craft sector. Lanarte's exclusive needlework was a creative need for the Belgian embroidery artist Marjolein Bastin. She further explored the possibilities of embroidery, which was further enriched by the use of the highest quality materials. This was possible if you had the right materials.

Today, Lanarte's exclusivity is not only reflected in the use of the highest quality materials, but also in the designs. Lanarte's designs are the result of the illustration of the artist Marjolein Bastin, who guarantees the success of the embroidery. It is a timeless and stylish design, a combination of art and craft.

The 17th century Turkish traveller, Eytim Celebi, described embroidery as 'the craft of two hands'. Since those early years, generations of stitchers have kept this ancient craft alive and today, in the 21st century, embroidery has been enriched with a new name: Lanarte.

In 1934 Guus and Emilie Vergnes' small store, Lanarte, introduced an exclusive new design to the craft sector. This was an exclusive need to the Belgian market and further expansion was inspired by the possibilities if you enter the Lanarte world of embroidery.

Today, Lanarte is not only reflected in the use of the high quality unique designs. Lanarte is proud of its tradition including the illustrator Marjolein Bastin. Lanarte guarantees the success of Lanarte's embroidery timeless and stylish designs combined with the centuries long tradition of art and craft.

Working with a Lanarte kit is more than embroidery. It is enveloping you in centuries long tradition of art and craft.

Lanarte is the art of stitching.

# Follow the thread to a new Secret Stitch Along project

## Secret Stitch Along: het is leuk, maar hoe werkt het?

Een telpakket borduren zonder te weten wat het eindresultaat zal zijn!  
Onze ervaring met eerdere Secret Stitch Along projecten leert ons dat de meeste borduursters het leuk vinden.

Het idee achter de Secret Stitch Along is dat klanten een pakket kopen zonder te weten welk ontwerp ze gaan maken. Deelnemers aan de Secret Stitch Along zijn de eersten die een prachtig LanArte of Vervaco telpakket maken dat nadien pas zal uitgebracht worden in één van de latere collecties.

De afbeelding van het ontwerp en de instructies zijn niet inbegrepen in het pakket. Alle klanten die het pakket kopen kunnen zich inschrijven voor de Secret Stitch Along op onze Facebook pagina of op onze website: [www.lanarte.com](http://www.lanarte.com) en/of [www.vervaco.be](http://www.vervaco.be). De inschrijvingen starten op een vooraf vrijgegeven datum. Vanaf de startdatum zal wekelijks een stukje van het patroon gedeeld worden in de Secret Stitch Along Facebook groep en via email. Het patroon zal worden vrijgegeven en voltooid over een x-aantal weken, dit naargelang de grootte van het patroon. Alle deelnemers kunnen hun ervaringen, voortgang en andere gedachten delen met gelijkgestemde borduursters en onze eigenste Vera Verachttert.

Laat de pret beginnen en zorg ervoor dat je deel uitmaakt van het succes!

## Secret Stitch Along: c'est amusant, mais comment cela marche?

Commencez un kit sans en connaître le résultat final!  
Vu les nombreux succès rencontrés auparavant, nous savons qu'un grand nombre de personnes apprécient cela.

L'idée du Secret Stitch Along est que les clients achètent un kit sans savoir quel design ils vont faire. Les participants du Secret Stitch seront les premiers à terminer un magnifique kit au point compté LanArte ou Vervaco qui ne sera publié plus tard dans l'une des collections ultérieures.

L'image du résultat final et les instructions ne sont pas inclus dans le kit. Les clients qui achètent le Secret Stitch doivent s'enregistrer sur Facebook ou sur notre site web: [www.lanarte.com](http://www.lanarte.com) ou [www.vervaco.be](http://www.vervaco.be). Les inscriptions commenceront à une date pré-publiée. À partir de la date de démarrage, une pièce du patron sera partagé chaque semaine dans la groupe Facebook et par e-mail. Le kit sera publié et complété dans un certain nombre de semaines (en fonction de la taille du dessin). Tous les participants peuvent partager leurs expériences, progrès et toute autre pensée avec des autres couturières et avec notre Vera Verachttert.

Que le plaisir commence et faite en sorte que vous ferez partie de ce beau succès!

Meilleures salutations,

Le team LanArte & Vervaco

## Secret Stitch Along: it's fun, but how does it work?

Stitching a cross stitch design without knowing what the end result will be!  
Our experience from previous Secret Stitch Along projects tells us that most stitchers love it.

The idea behind the Secret Stitch Along is that customers buy a kit without knowing which design they are going to make. Participants of the Secret Stitch Along will be the first to finish a beautiful LanArte or Vervaco counted cross stitch kit that will only be released in one of our later collections.

The picture of the design and the instructions are not included in the kit. All customers who buy the kit need to register for the Secret Stitch Along on our Facebook page or on our website: [www.lanarte.com](http://www.lanarte.com) or [www.vervaco.be](http://www.vervaco.be). Registrations will begin on a pre-released date. As of the start date, a piece of the pattern will be shared weekly in the Secret Stitch Along Facebook group and via email. The pattern will be released and completed over a specific period (depending on the size of the pattern). All participants can share their experiences, progress and any other thoughts with like-minded stitchers and our very own Vera Verachttert.

Let the fun begin and make sure you are part of the success!

Kind regards,

The LanArte & Vervaco Team

## Secret Stitch Along: das ist Spaß, aber wie funktioniert es?

Eine Zählmusterpackung sticken ohne zu wissen wie das Endresultat aussehen wird!  
Unsere Erfahrung mit den vorherigen Secret Stitch Along Projekten hat uns gelehrt das die meisten Teilnehmer es einfach lieben.

Die Idee hinter Secret Stitch Along ist, das der Kunde eine Stickpackung kauft ohne zu wissen welches Design er sticken wird. Die Teilnehmer des Projekts Secret Stitch Along werden die ersten sein die diese schöne LanArte oder Vervaco Zählmusterpackung fertigstellt welche erst später zum weltweiten Verkauf angeboten wird.

Das Foto des Designs und die Anleitung sind nicht in der Packung erhalten. Alle teilnehmenden Kunden müssen sich für die Teilnahme am Secret Stitch Along auf unserer Facebook Seite oder auf unseren Website ([www.lanarte.com](http://www.lanarte.com) oder [www.vervaco.be](http://www.vervaco.be)) dazu anmelden. Die Anmeldungen beginnen an einem vorab veröffentlichten Datum. Ab dem Startdatum wird wöchentlich ein Teil des Designs in der Facebook-Gruppe „Secret Stitch Along“ und per E-Mail geteilt. Das komplette Design wird über einen bestimmten Zeitraum veröffentlicht und komplettiert. Alle Teilnehmer können ihre Erfahrungen, Fortschritte, andere Ideen und Gedanken mit den gleichgesinnten Stickfreunden und unserer eigenen Vera Verachttert teilen.

Lassen Sie den Spaß beginnen und erobern Sie sich einen Teil des Erfolges!

Mit freundlichen Grüßen,

Das LanArte & Vervaco Team
