## WILLKOMMEN ZU EINER NEUEN TILDA SAISON

TILDA hat sich zu einer festen Größe im Bereich Nähen & Home-Deko entwickelt. Die Ideen der norwegischen Designerin Tone Finnanger sind mittlerweile auf der ganzen Welt bekannt und beliebt.

Die Themen Stoffe und Nähen liegen TILDA am meisten am Herzen. Daher darf ich Ihnen heute viele aufregend neue Produkte aus diesem Bereich präsentieren.

Absolutes Highlight sind fertig genähte Puppenkörper, die es zunächst in den Tierformen Fuchs und Kaninchen gibt. Viele unserer TILDA Kunden sind Näh-Experten, aber eben nicht alle. Fertig genähte Puppenkörper eignen sich hervorragend für Nähanfänger und Kinder, die Spaß am Nähen von Kleidung und Accessoires haben. Daher finden Sie auch Schnittmuster für Kleidung unter den Neuheiten. Die Puppen eignen sich für alle Altersklassen, insbesondere als perfektes Geschenk für jüngere TILDA Freunde.

Weitere Neuheiten sind Papier-Applikationen, die in unterschiedlichster Weise zu folkloristisch inspirierten Blumenmotiven kombiniert werden können. Außerdem können Sie sich auch auf fünf neue Farben bei den Nähfäden freuen. Dieser Faden ist ein Muss für feine Applikationen sowie Papier-Piecing Arbeiten und wird auf einer attraktiven Holzspule geliefert.

Wenn Sie ein Freund von Patchwork-Arbeiten sind oder diese Technik gerade erlernen, dürfen Sie auf keinen Fall den Patchwork-Hasen und das Eichhörnchen-Set verpassen.

Ich hoffe, Sie mit den Neuheiten der Saison überzeugen zu können und wünsche Ihnen einen kreativen Herbst und Winter.

## WELCOME TO A NEW TILDA SEASON

Tilda is transforming into a sewing and haberdashery brand this season. In the meanwhile, the designs of Norwegian designer Tone Finnanger are well-known and popular all around the world.

Fabric and sewing are closest to the hearts of the TILDA makers, which makes it possible for me to present some exciting new products.

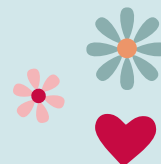

The biggest new products this season are pre-sewn doll bodies. We are starting with a fox and a hare. Many of our customers are already experts at sewing Tilda dolls and animals, but pre-sewn bodies are perfect for those who find doll-sewing a bit daunting, or for young people just learning to sew. We hope you will have fun making clothes and accessories, you will find patterns for clothes among the new products. The dolls are approved for children of all ages, making them perfect gifts for young TILDA friends.

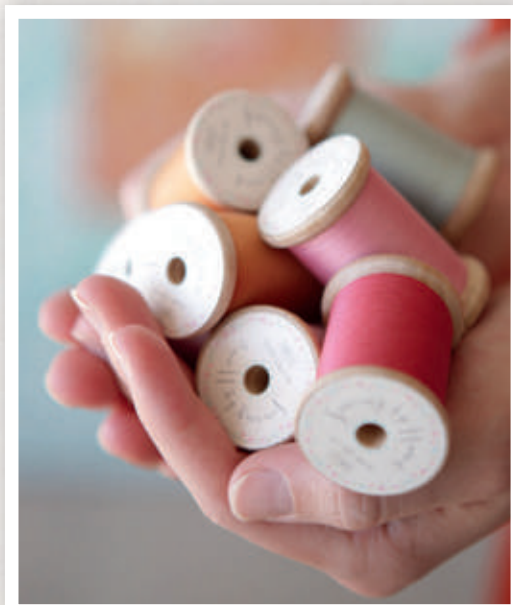

We are also very excited to present paper piece appliques. Pre-cut paper shapes for appliques make it easy to add the perfect appliques to any project, and you can combine them in many different ways to make the most beautiful folklore-inspired flower motifs. We are also adding five new soft and beautiful colours to the "Sewing by hand" thread range. This gorgeous thread is a must for fine applique and paper piecing projects, and looks beautiful with wooden spools.

Be sure to check out the patchwork rabbit and a squirrel kits if you like smaller patchwork projects or if you are just learning the patchwork technique.

We hope you appreciate the new products this season and wish you a creative autumn and winter!

Ihre / Warmly,

# TILDA FRIENDS

Hello!

## WIR FEIERN NEUE FREUNDE!

Zwei beliebte TILDA Charaktere – Fuchs und Kaninchen – gibt es jetzt auch als fertig genähte Puppen. Sie tragen Höschen, aber brauchen Helfer, die ihnen schöne Kleidung nähen. Im Katalog finden Sie wunderschöne Schnittmuster für Puppenkleidung.

Die Puppen eignen sich für Kinder und bieten Nähanfängern einen tollen Einstieg. Alle, die sich nicht an das Fertigen von Puppen herantrauen und Puppenfreunde, die nicht nähen können, haben so die Möglichkeit, ihre eigene TILDA Puppe zu gestalten.

## CELEBRATING NEW FRIENDS!

Two beloved TILDA characters – a fox and a hare – are now available as lovely pre-sewn dolls. They come with briefs, but need you to sew their clothes. You will find beautiful patterns for doll clothes in the catalogue.

The dolls are approved for children and for someone who is learning to sew doll clothes, they are always a great place to start. For all of you who love to sew, but find dolls challenging, or for those who don't sew at all, you can still have your own Tilda dolls.

A woman with long brown hair, wearing a black and white polka-dot top, is holding up a large, vibrant patchwork quilt. The quilt features a complex pattern of hexagonal and floral shapes in various colors including pink, blue, yellow, and purple, set against a background of floral and bird motifs. The background wall is covered in light blue wallpaper with white floral and bird patterns. The entire scene is framed by a dashed white border.
