The compact office on-the-go

Safe. Safer. Kevlar.

The DuPont aramid fibre is typically used for bulletproof vests. Here, it turns your MOBILE OFFICE into a particularly safe place to stay. For your 13" laptop. For an additional 8" tablet. And for everything your digital life requires on the go. Perfectly organised, including separate sleeves for laptop and tablet, adjustable shoulder strap and robust, wide carrying handle that also fits on a trolley. 275 x 385 x 75 mm, red/black.

MOBILE OFFICE | LMO13/BK

Laptop bag with 2-way zipper, main compartment with 2 removable dividers: 1 x laptop sleeve up to 13.3" with Velcro fastener, 1 x tablet sleeve up to 8" with 2 pen loops + 3 compartments for electronic accessories, removable, adjustable shoulder strap, shock-absorbing material, reinforced, wide handle (suitable for attachment to the trolley), DuPont Kevlar (aramid fiber), plastic, black/red

Nothing has been forgotten.

The rucksack for business professionals who don't leave anything to chance. Plenty of space for laptops or tablets up to 13". Extra compartment for documents and clever elastic band compartment to conveniently sort cables, adapters and more. The integrated USB cable provides fast connection between indoors (e.g. powerbank) and outdoors (e.g. smartphone). Thanks to the stowable shoulder strap, the TROIKA SAFTSACK can be turned into a sporty business bag in a few simple steps. With loops for attaching to a trolley. In blue.

TROIKA SAFTSACK | RUC71/DB

Business backpack for charging electronic devices, 1 compartment for documents, laptop, tablet (up to 13"), 1 elastic band compartment for accessories (every day carry), 1 compartment on the back, stowable, padded shoulder straps, elastic loop for attachment to the trolley, integrated USB cable, input + output, polyester, blue

Crossing the line

These trendy bags are worn with a strap across the back or stomach - ideal for cycling, strolling or shopping. The CROSS-BODY BAG from the business bag series is made of polyester and is durable and practical. Large main compartment with plenty of space for bits and pieces, 2 pockets and pen loops for everything you need on the go. Additional secret compartment close to the body. In anthracite/black.

Perfectly organised.

With CONNECTED, you can easily put your digital life in your pocket. Mobile telephone, mouse, earphones, power bank, power supply, cables, adaptors - there is plenty of storage space in the numerous, cleverly divided compartments. Clever elastic straps and meshes keep the accessories securely in place. Extra practical: the robust loop for attaching the organiser bag to the trolley. CONNECTED - as organisation is half of life. Even if it is analogue.

CONNECTED | CBO30/BK

UV TRAVELLER

UV DISINFECTION CASE

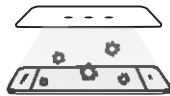

FOR DISINFECTION
kills 99,9% of all
viruses and bacteria

interior space: 200 mm x 115 mm x 40 mm

520mAh

3 UV-C LED (0,5 watts)

The small disinfection case for when you are on the go: always with you, always ready, entirely without chemicals. Put your smartphone, keys, coins, notes or mouth and nose mask in the case, zip it closed and click. The magnetic closure activates 3 ultraviolet LEDs, which eliminate 99.9% of all viruses and bacteria in 30 seconds. Just turn it over once, another 30 seconds and you're done. There is hardly a faster, more comfortable and more efficient way to disinfect. Integrated battery lasts for approx. 140 disinfection processes of 30 seconds each. A pleasantly soft polyurethane shell in black and silver.

UV-TRAVELLER | UVC30/BK

TROIKA® Travel

Almost too good for tools.

TOOL BAG is in any case practical. Spacious main compartment with six pockets and a large opening – for easy loading and unloading. Three more pockets on the outside and three pen loops, e.g., for the TROIKA CONSTRUCTION. And everything is made from the particularly robust and resilient cover material tarpaulin. The fact that the TOOL BAG also looks outrageously good is another bonus you'll be happy to take away. Right? Load capacity 10 kg, capacity approx. 6.5 l, red/black.

TOOL BAG | TBG30/BK

Toolbag with carrying handle, stiffened zip for wide opening, spacious main compartment with 6 slit pockets, front: 3 slit pockets with 3 pen loops, load capacity up to 10 kg, capacity approx. 6,5 litres, resistant material, washable, tarpaulin, black/red

Whether hot or cold, the main thing is it's mobile.

When business takes a break, people need fuel for the body and soul. Small or large snacks, cold or warm drinks - with the BUSINESS LUNCH COOLER, you always have them with you. The large compartment keeps the cold things cold and the warm things warm, thanks to the high-quality thermal lining and insulated zip closure. The cutlery also comes with it and scores points for sustainability: the knife, fork, spoon and storage box are made of 50 % wheat straw. Spacious 5-litre capacity, anthracite/black, with a sturdy shoulder strap and loop for attaching to a trolley.

BUSINESS LUNCH COOLER | BBG58/GY

Classically modern.

For over 30 years, the TROIKA LUNCHBOX has cut a good figure on picnic blankets, workbenches and writing desks. It is aluminium-light, sturdy and easy to clean. Moreover, the swing top is pure nostalgia - on the one hand. And on the other hand, simply just practical. With dimensions of 172 x 118 x 65 mm just right for the little snack in between.

HEISS 
& KALT 

Heavy metal to go.

With a 600-ml capacity, just the right size for the office, leisure and sport. Everything stays reliably HOT & COLD - thanks to double-wall insulation with a vacuum in between. The fact that this thermos flask also looks really great means you'll be glad to carry it with you. Silver-coloured or in a hammer-finish look, and made predominantly of sturdy stainless steel.

WITH 10 FUNCTIONS

Be prepared.

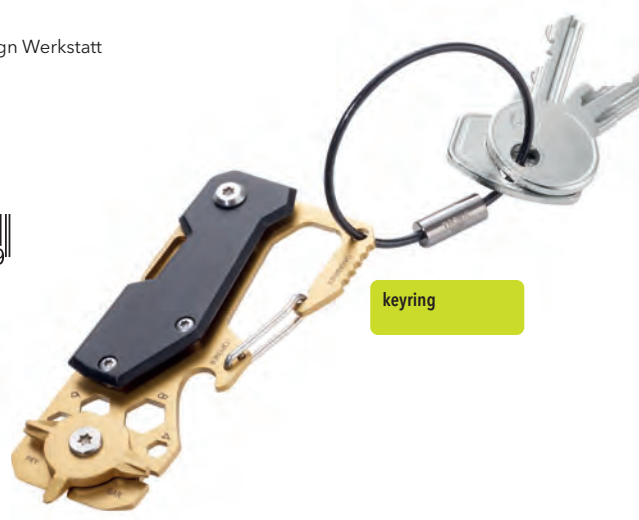

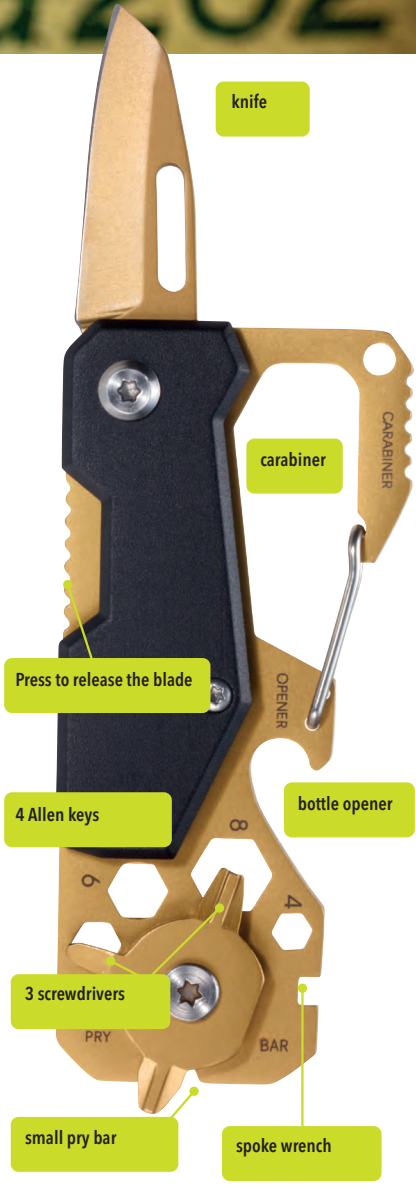

There is a world beyond wireless and smartphone. It is analogue and apps won't get you far here. Because here things are about cutting, screwing, rotating and measuring. So be prepared for when everyday life becomes the wilderness. The TOOLINATOR key chain allows you to get on with it, indoors and outdoors. Ten functions from a knife to a small pry bar to a spokes tool. Made of stainless steel and anodised aluminum, in titanium colour and red. Jewel or tool? The TOOLINATOR comes in gold colours and black, so it is particularly elegant and can be spotted anywhere. Nevertheless, it remains a sturdy mini tool.

TOOLINATOR | KTL25/GO

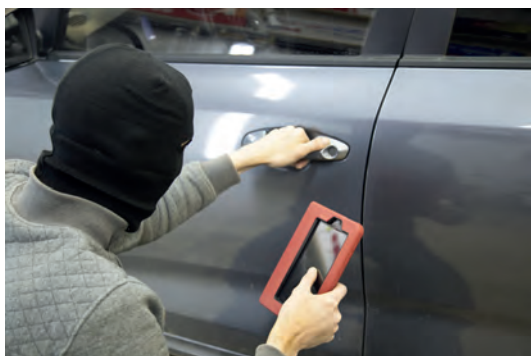

Mini tool with 10 functions, knife, keyring (wire loop) with carabiner, bottle opener, 3 screwdrivers (2 Phillips, 1 slotted), Allen key (4 sizes), small pry bar, ruler (5 cm), spoke wrench (spoke tool), aluminium, stainless steel, black/gold-coloured
