## **A NEW SEASON WITH NEW COLOURS AND FEELINGS...**

Don't create but break boundaries! Be fearless and face your biggest fears. In other words: "Be a force!" Inhale deeply and let it all out. Go outside, seek new crafting adventures and make them all seem to be worthwhile. Live in the presence; if you're only wondering about what could have been, you'll be forever stuck. Dare to push yourself; to go beyond. If you change nothing then nothing changes. Let your hands create where your mind often wanders. Knitting is a mindful process where beautiful souls create their purest form of poetry. It's not about clothes. It's all about creating your own statements to wear. So, let's create from sunrise to sunset.

We offer you the most perfect raw materials for your craft(s).
