MATSA TRIMS COLLECTION

2

Every year MATSA Textiles develops two new collections (Fall|Winter & Spring|Summer collections) that help our customers achieve the look and appearance of their own ideas. The House of MATSA has been manufacturing Trims in Europe since 1951. We are knowledgeable of color matching and design trends within the Industry. We can help you distinguish your product from the rest. Let us help you in assisting, advising and providing the perfect trim for your unique product.
