BUNNY BOWLING

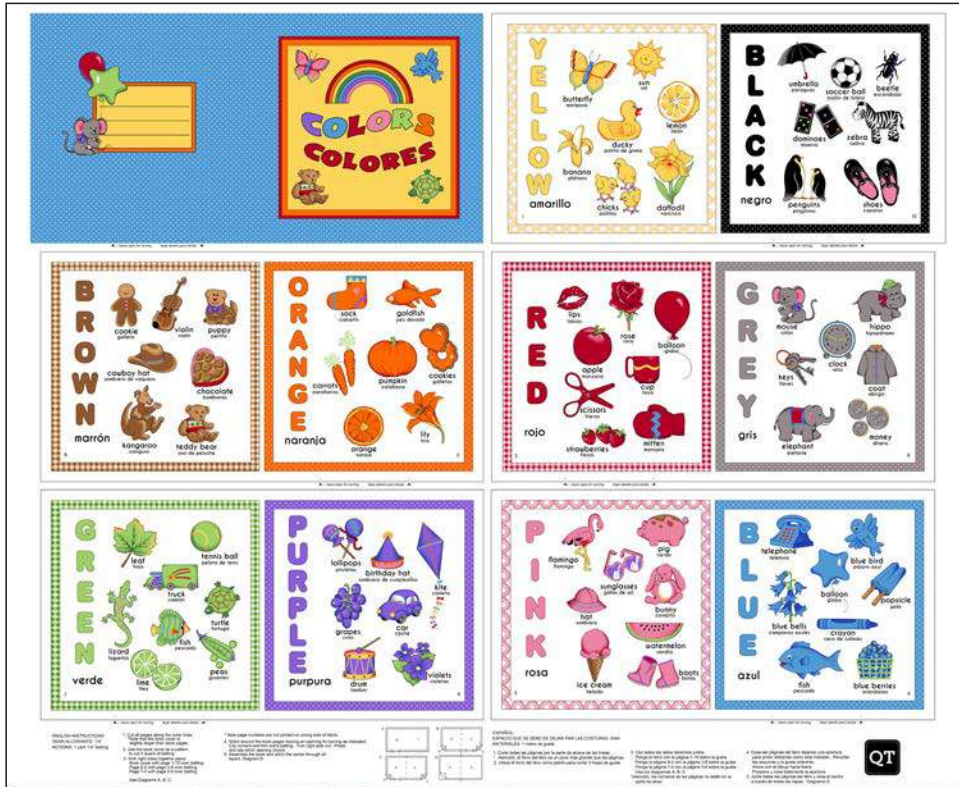

Bunny Assembly Instructions

Note: Seam allowance is 3/8".  
Additional supplies: Stuffing of choice, polyester or cotton wool, beads, yarn or fine gravel to add weight.

1. Cut out all pieces along edges of marked lines. Cut to the top of the marked triangle where ears meet. Sew ears together by color.
2. With right sides together, pin matching bunny front & back together. Starting at bottom, hand needle & thread. Take a few stitches and back-stitch being sure not to stitch past side. Stitch around bunny to capsule side ending at top. Backstitch to secure.
3. Clip and notch as shown. Clip at both middle corners of ears. Do not cut all the way to middle! Sew for this approximately 1/2" from stitching.
4. Turn right sides out. Push ears out along a pinhead or other narrow, hard tool. Close hand! Finger press the seam flat all the way around bunny. Also, turn in the bottom seam allowance and finger press.
5. Stuff bunny. Ears will stand up if stuffed right. Use stuffing of choice to fill. To add some weight, fill a small bag or piece of plastic with sand, fine lava gravel or beads. Place this into bunny near the bottom but allow enough room to add a bit more stuffing to later.
6. Bottom of bunny. Clip seam allowance as shown stopping short of pointed edge. Finger press seam allowance to wrong side. Match dots on bottom to with sewing dots on bunny. The same bunny feet are being in the correct direction. Pin at dots. Hand stitch bottom to bunny legs without stitches so that bottom stays as flat as possible.
